

ABOUT US

Bestari was established in 2004 after years of experience in the functional food ingredients industry. Initially only a manufacturer of Crispy Fried Chicken Coating Mix, we realised that our customers found joy frying chicken at home due to the simplicity of making this traditionally time-consuming dish. Not only it saves the family unnecessary costs from dining out, it also brings the family together and closer.

Based on this inspiration, we made it our mission to create a wide variety of super easy, ready-to-cook premium quality HALAL food products that can be easily used by everyone. We believe everyone deserves to be able to cook delicious food easily.

Today our Crispy Fried Chicken Coating Mix is the leader of this product category in Malaysia. Besides that, our other products are also super popular among home consumers and the HORECA (hotel, restaurant, catering) industry.

Our factory adheres to strict food safety guidelines. We are ISO22000-certified, and also Halal-certified by JAKIM. All of our products are also certified Halal by JAKIM.
