Salse

Our first ever pesto recipe dates back to the mid 1800s and has remained unchanged since then. The defining ingredient is basil which was then traditionally crushed ("pestato") together with the other ingredients: extra-virgin olive oil, cheese (PDO Parmesan, Grana or Picorino), pine nuts, garlic and salt. Approx. 350g of basil is needed to make 1kg of pesto.

Pesto Sauces

Pesto Sauce with PDO Genovese Basil

Pesto sauce made with PDO basil from Genovese, Grana Padano and pecorino romano cheese, pine nuts and garlic. Marked by its intense aroma and high yield. Use as a dressing for typical Ligurian pasta dishes, but also on crostini, in rolls or sandwiches.

Item Code	Packaging	Weight
